## PREVENTION IS BETTER THAN CURE

Our practice membership scheme provides the support you need to help your pets stay fit and healthy.

Regular visits provide the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming, tick and flea treatments.

Furthermore, the cost of maintaining the general health of your pets is distributed throughout the year by making monthly Direct Debit payments. The addition of optional home delivery\* means it couldn't be simpler to stay on top of your pet's preventative care.

\* Additional cost of £1.80 per month applies for home delivery. Not available for Rabbit plans, puppies and kittens.
